WELCOME

TO THE SQUARE

The Square is a unique events space and party venue in the heart of Clifton.

Our dedicated team love to cater for all kinds of events from private dinners and weddings to roaring parties of 120. We are the premium option for private venue hire in Bristol. Whether you are after an intimate celebration or a larger gathering, our spacious and versatile restaurant can accommodate your party.

Our set menus can cater for groups of between 10 and 70 people, with menus starting from £35 per person. If you'd like to start off your evening with a more informal celebration, there's also the option of mingling in our boutique lounge as a reception space for arrival drinks and canapés.

If you are looking for all night dancing with a DJ we can arrange that, or maybe you'd prefer a more sophisticated soirée in our Lower Deck Cocktail Bar.

Either way, our in-house events coordinator and their team will be on hand to ensure the smooth running of your event throughout.

This brochure details all of our event spaces and should help you to visualise your perfect event. Some sample menus are included, but for a wider range of options and for more information, meet with one of our dedicated event organisers and start planning your event

Please use this key as a reference point for what functions our events spaces can be used for.
